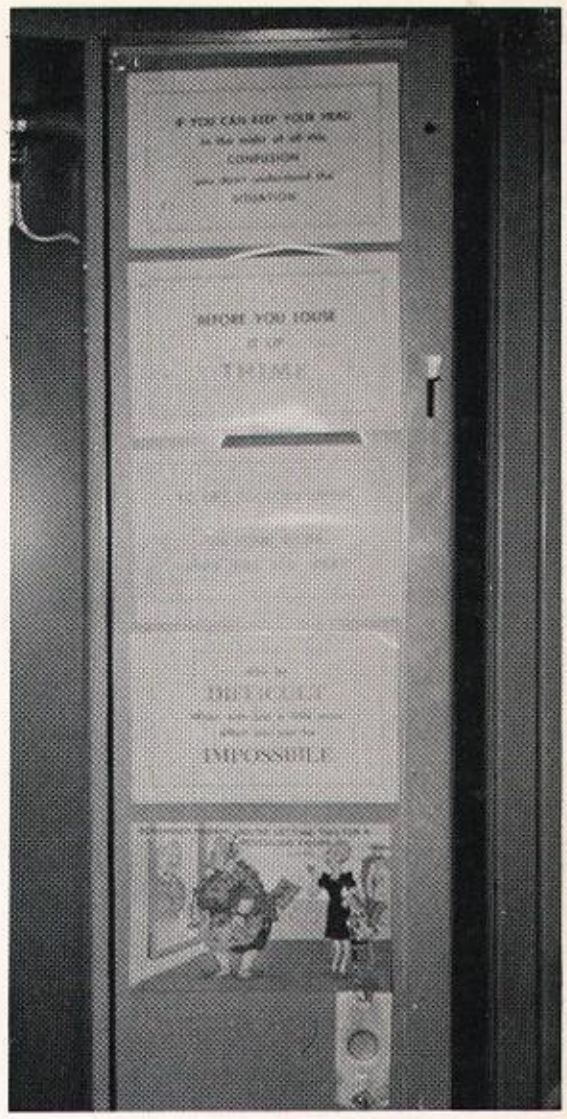
THE 1966 TIGER ROAR



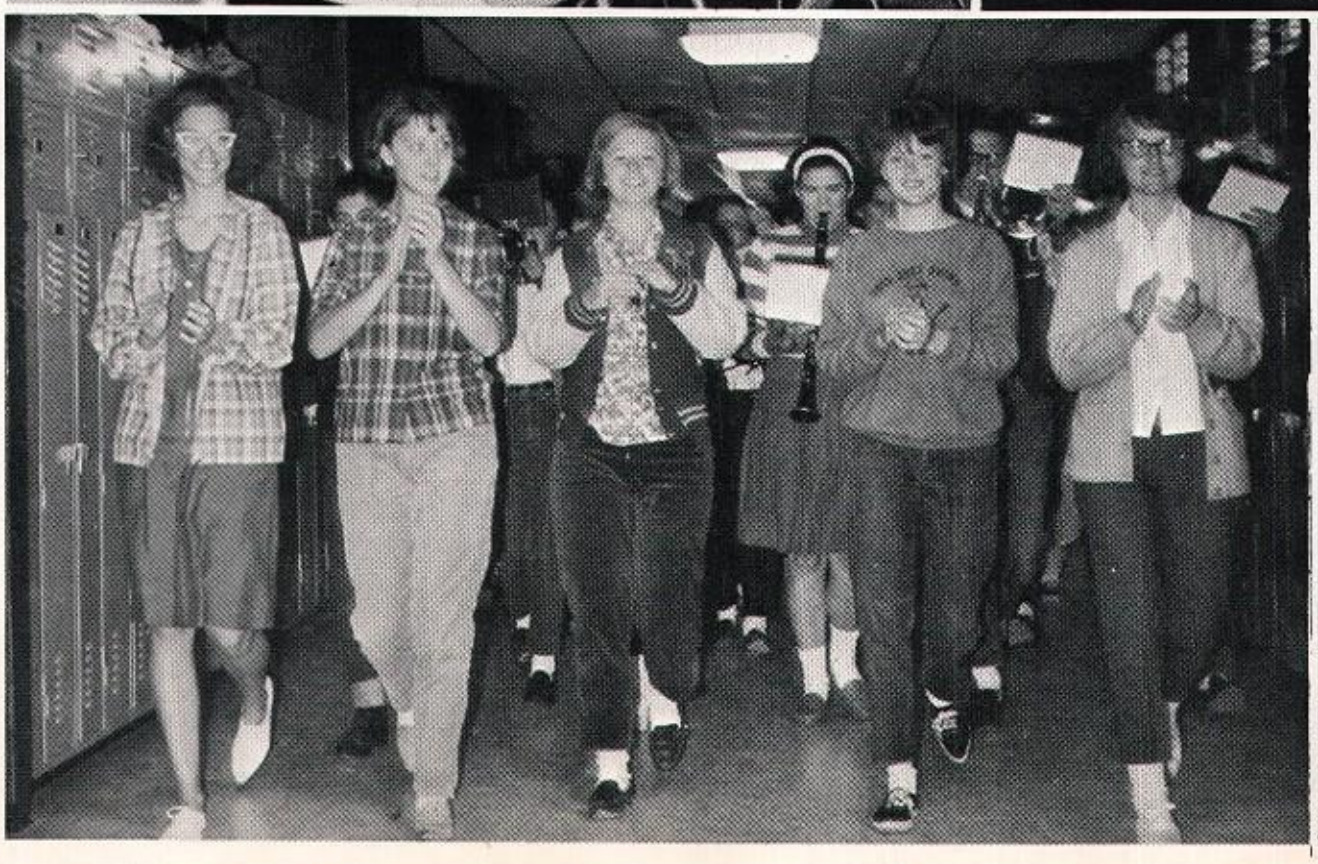
Published by the Journalism Class

of Laverne High School,

Laverne, Oklahoma.

These Pages Harbor Memories

Which Will Never Be Forgotten.



DEDICATION

Because of all the extra work he has done to help the journalism class prepare a beautiful annual, we would like to dedicate the 1966 annual to Charles Halliburton, an outstanding senior.

Charles spent many extra hours snapping pictures for the annual, and he has done an excellent job. We would like to thank Charles, but is it possible to thank him enough? We could have offered him a gift or presented him with money, but that is too meaningless. Instead we chose to work many long hours to produce this yearbook for him.

CHARLES IN ACTION

The big set-up! Careful Charles! Get ready! Snap!

SUPERINTENDENT

To the Seniors of 1966:

Having worked hard for the past twelve years, you are now entitled to advance to your next level of achievement.

Young people must realize that getting a good education is like any other work. Those who apply themselves are more entitled to promotion and better pay than those who do not work as hard.

My sincere wish is that you will apply yourselves to your chosen work, and that much happiness and success may be yours as you become useful members of society.

Harry Shackelford

ADMINISTRATION

The School Board has been working hard this year and the result is a new six-room addition to the high school. The student body and teachers are very grateful to Floyd Horn, Fritz Wheeler, Everett Whisenhunt, Cecil Mitchell, Claude Zollinger, and Superintendent Harry Shackelford for their efforts.

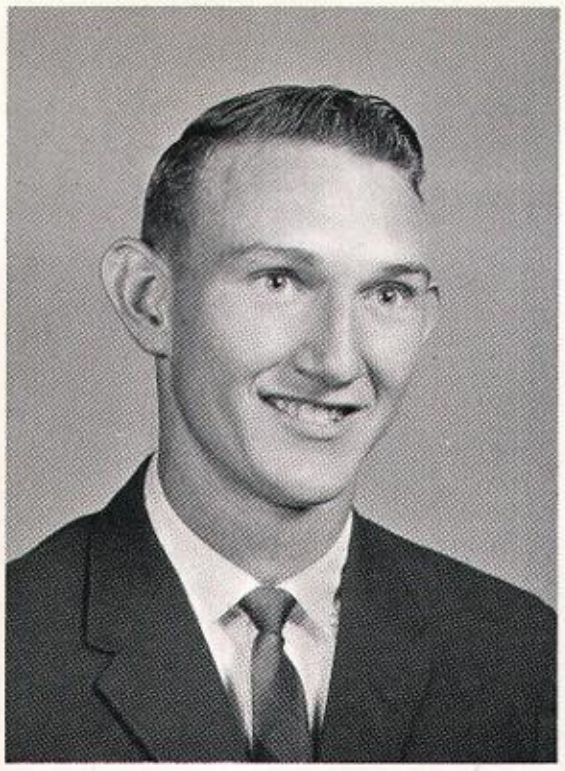
CLASSES

SENIORS



Memories are golden . . . especially those of the seniors' school days at LHS. Since the day they enrolled in school, they have looked forward to this year - - their senior year!

The senior year of any class is the busiest and, perhaps, the most important. Strong and capable leadership is needed to guide and direct the class activities.

Curtis Laverty, the competent and industrious president for two years, has continually set a good example for the class to follow.

W. C. Earnst, the vice-president, has contributed much to their success through his hard work and support in all the class projects.

Paula Carnagey has uniquely fulfilled her job as secretary by combining the qualities of neatness and dependability in keeping the records of the class meetings and correspondence.

Janet Hart, treasurer, has done a commendable job in recording the frequent class business transactions.

Last, but by all means not least, are the sponsors, Mr. Bayliff, Mrs. Bockelman, Mr. Huffman and Mrs. Moore, who have guided them invaluably this past year.

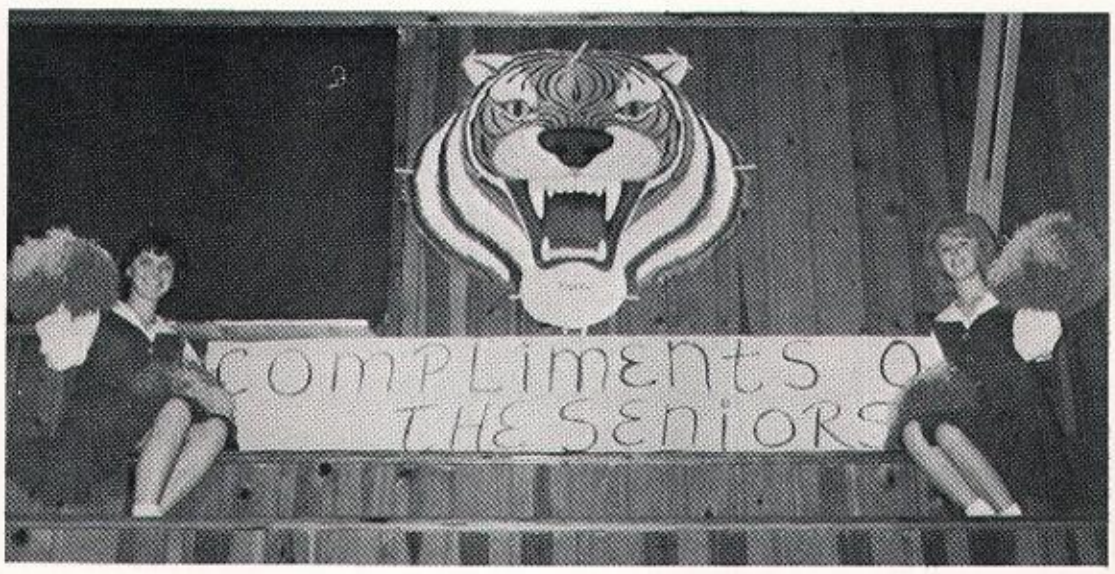
MISS TALENT

D. Hedges was chosen as Miss Talent in the Miss Laverne contest because of her excellent toe and jazz dance. She was escorted by D. Buss.



Cheerleaders S. Cable and D. Hedges advertised the great senior class. The Tiger head was only one way of showing all the pep and enthusiasm at LHS.

C. Schuster represented the senior class as FFA sweetheart. M. Nine, FFA president, crowned her while Miss L. Rambo, outgoing sweetheart, looked on.

Waiting anxiously for the senior proofs was one of their quietest moments until J. Hart received hers!

As you can see, these juniors - J. Brower, D. Methvin, J. Stinson, P. McGuire, and M. Sells worked very hard on the junior play.

Due to some of the experiments in chemistry, outside activities were required. M. Sells, J. Brower, and N. Wheeler were the hard workers.

L. O'Hair and K. Williamson enjoyed the football games.

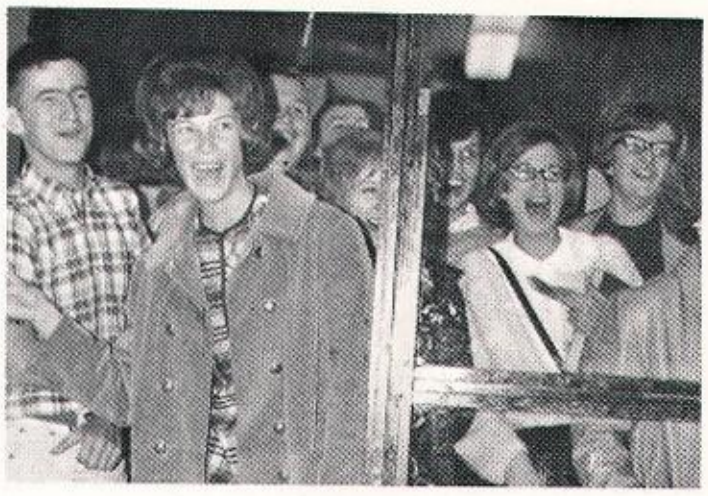
AROUND LHS



The tables were turned when the students lined up to watch the second flu shots for the faculty.

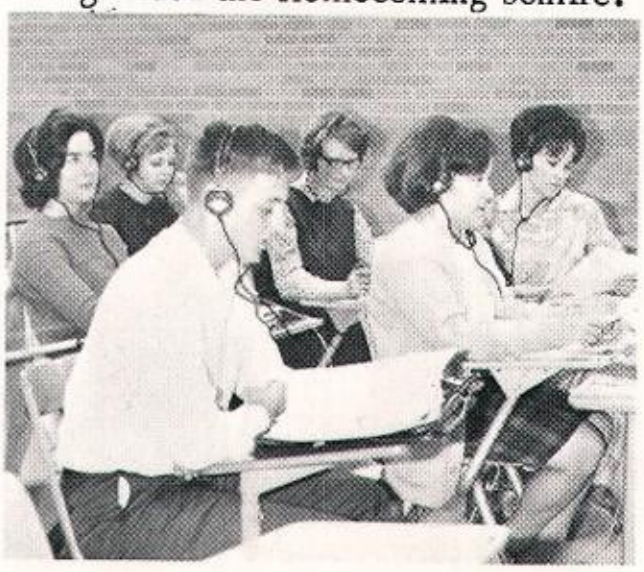
Mr. Shackelford has evidently had his shot already.

Dr. Karns took careful aim before "shooting" Coach Steffen.

B. Gardner and J. Hart discovered Homecoming involved work.

Highjumping Schuster cheered everyone while the Beta Tiger guarded the Homecoming bonfire.

Rush was one of the best "sandwich-pushers" the juniors had at the basketball concession stand.



French students utilized many audio-visual aids during the year.

No, it wasn't a student Mr. Shackelford was after - it was a poor fly!

A noon hour session with the Ouija board held the interest of Sells, Rush, and Wiles.

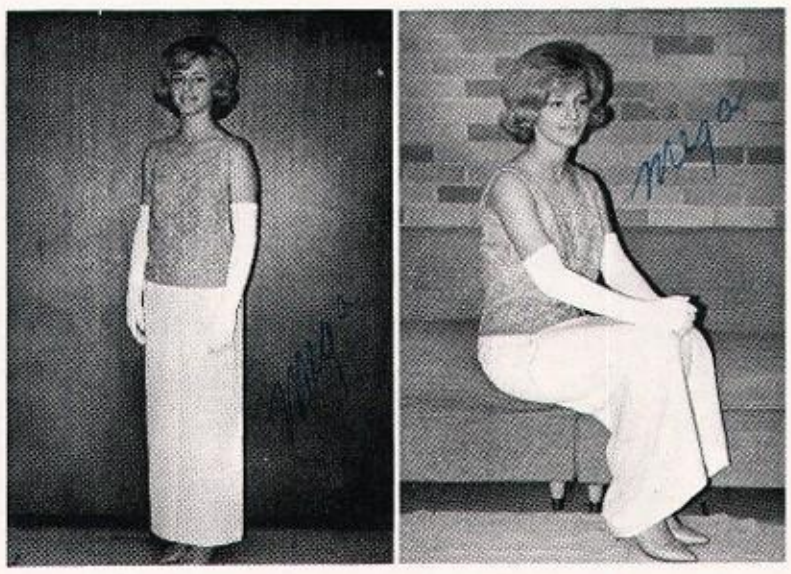
TIGER FOOTBALL ROYALTY

Being chosen as football queen is one of the coveted honors for the sophomore, junior, and senior girls. The candidates are selected each year by the football boys of each class with the final choice being by secret ballot. Coronation ceremonies are a halftime feature of the annual Homecoming game in October.



Miss Omega Gannon was chosen by the 1965 Tiger squad as their football queen.

CROWNED AT HOMECOMING

The Queen and her escort, F. Keith, reigned with the attendants, L. Hester, C. Long, L. Glover, and V. W. Roberts. Junior royalty was Tammy Roberts and Stan Steffen.

You are the greatest girlfriend a girl could ever have. You've done so much for me and I'll never forget it. It just doesn't seem like this is our last year to be together, it's going to seem so different without you being around. But remember we're going to write to each other and try to see each other on weekends. I'll never forget the times we had and the times I stayed all night with you and also the fun we had when we went to Tallett.

Brenda you've got a wonderful personality that will take you far, so don't you ever lose it. You can do anything you want to, with your talent and good looks. I'll see I guess I don't have much more to say except, best of luck in everything you do.
